RETURN OF THE

WESTERN FLYER

2025

## Long Beach Stop: *Western Flyer* Open House & Tours

Celebrate the *Flyer's* remarkable return to the Gulf of California, including a special Long Beach stop, marking 85 years since Steinbeck and Ricketts's iconic 1940 expedition! This historic journey will retrace original intertidal sites, venture into new areas, and collect valuable observational data in collaboration with local researchers and students.

Long Beach residents will have an opportunity to visit the ship while she is in Rainbow Harbor and Alamitos Bay!

***Saturday, March 22nd***
