

Peer MentorShip Program

Western Flyer Foundation

We invite high school and college students to explore the intersection of **science** and **humanities** through our interactive, peer-driven mentorship summer program aboard the historic *Western Flyer*

July 21- 25 | 10:30 AM-2:30 PM
Moss Landing

Activities include hands-on science aboard the *Western Flyer*, tours of local science facilities, demonstrations from scientists and artists, including plankton collection, seaweed cyanotyping, ROV demos, nature journaling, marine fossil explorations, and more!

Participation is **free** and participants will receive a nature journal and watercolor kit.
